

Are you interested in being a Primary School Teacher?

The Durham Teaching School Alliance in partnership with High Force SCITT offer a Post Graduate Certificate in Education (5-11)

High Force Education SCITT and The Durham Teaching School Alliance work in partnership to offer an exciting and innovative School Direct Initial Teacher Training primary programme 4-11.

- Trainees study at High Force Education SCITT
- Trainees will be placed in good and outstanding partner schools
- Trainees will have opportunities to gain employment at a partnership school
- Training will be similar to training programmes in universities and colleges
- Trainees will pay fees but might be eligible for funding through tuition fee loans, training bursaries or scholarships
- The training programme is tailored towards teaching in the local area
- The SCITT and its partner schools provide a practical, hands-on teacher training programme, taught and supported by experienced, practising teachers

Entry onto this programme is made through UCAS. www.ucas.com
